Alquería Blanca

Located on the southern slope of the estate with panoramic views from the Serra de Tramuntana mountains to the Bay of Palma, **has a rich history linked to the production of high-quality olive oil**

The former olive mill is now a multi-purpose space equipped for events. The modernist lounges are ideal for relaxing, reading, or enjoying a glass of wine, and the gardens showcase native Mallorcan flora, offering a peaceful escape from the stresses of city life.

It was such a high-quality oil that it was awarded a silver medal at the 1888 Barcelona Universal Exposition. Today, only a few parts of the original mill remain, such as the spectacular stone mill and some of the hydraulic machinery that replaced the traditional equipment in 1911.

Currently, the mill has been converted into a highly versatile multipurpose hall. Thanks to its high-quality equipment (audio, video, lighting control, etc.), it can host all kinds of events.
