## About the House

Tucked into the quiet countryside just outside Artà, Barkala Mula is the kind of place you don't really "book" — you arrive. Surrounded by olive trees, wide skies, and a rare sense of calm, this small rural B&B carries an atmosphere that can't be designed or staged. It grows naturally from the land and from the people who care for it.

## The Spirit of the Place

Barkala Mula is defined by idylle and proximity. You are far enough out to hear the wind in the trees and the occasional donkey greeting the morning — yet close enough to Artà to wander into town for a café, a market visit, or dinner within minutes.

The finca itself is grounded and unpretentious: natural stone, warm terracotta tones, light-filled rooms, and views that stretch across olive groves toward the hills. Days unfold gently — by the pool, under palms, or watching clouds move across a vast Mallorcan sky. Evenings often end with golden sunsets and a stillness that feels almost medicinal.

## The property offers:

Barkala Mula is a rural finca stay offering boutique rooms, long-stay apartments, group rentals, and retreat venue hire. This is a countryside home — not a hotel — suited for guests seeking peace, nature, and authentic Mallorca living.

# Hosting with Heart

What truly sets Barkala Mula apart is the **human layer**.

Val and Wez bring their own stories, cultures, and joy into the experience. Some evenings turn into shared **BBQ dinners**, others begin with a **homemade Malaysian breakfast** — fragrant, unexpected, and deeply personal. Nothing here is forced or scheduled. It happens because it feels right.

**This is hospitality as presence, not service.**

Guests are welcomed into a rhythm rather than a routine — and often leave with stories, recipes, and a quiet sense of having belonged, if only for a while.

# For Those Who Seek the Real Mallorca

Barkala Mula is perfect for:

- travelers who value authenticity over polish
- families or small groups wanting space, privacy, and warmth
- creatives and slow travelers seeking grounding and inspiration
- guests who appreciate hosts, not hosts-as-a-brand

Bon Sentiment recommends Barkala Mula as a soulful countryside hideaway — a counterbalance to hotels and curated luxury. A place where simplicity becomes richness and connection becomes the real takeaway.

**You come for the quiet.**

**You stay for the feeling.**

**You leave changed in subtle ways.**
