**Seamless Hospitality, Thoughtfully Designed**

**Hidden within the  
historic heart of  
Pollença,** Can Aulí is  
less a hotel and more a  
cultivated state of mind.

## About the House

**A 17th-century mansion** — once home to the village surgeon — has been carefully re-imagined into a quiet retreat where Mallorcan heritage, contemporary design and conscious living meet in perfect balance.

Imposing stone arches, hand-crafted staircases and original walls anchor the house in its past, while curated furniture, noble materials and soft, natural tones open it gently toward the present. Across its **21 individually designed rooms**, time seems to slow — inviting rest, reflection and an almost monastic ease.

## The Spirit of the Place

Life at Can Aulí unfolds barefoot and unforced. Mornings begin with birdsong drifting through open shutters, afternoons invite reading beneath ancient trees or a swim in the secluded courtyard pool, and evenings settle into glasses of local wine shared in hushed conversation. Service is discreet, intuitive, and deeply personal — present without ever intruding.

## A Place to Slow Down

Inside, intimate lounges adorned with black-and-white photography by Jean-Marie del Moral offer quiet refuge. Outside, the fragrant garden — jasmine, rosemary, warm stone — becomes a living extension of the house. A carefully curated selection of wines from small island producers and artisanal cocktails completes the experience.

# The Essence of Refined Mallorca

Can Aulí is for those who seek depth over display.  
A place to arrive, exhale — and remain, just a little longer than planned.
