## About the House

Set in the heart of Santa Ponsa, this elegant property opens itself fully toward the Mediterranean — not as a backdrop, but as a constant presence shaping light, mood, and rhythm.

The house offers **four bedrooms** and **five bathrooms**, conceived for comfort, privacy, and ease. Interiors are generous yet restrained, allowing space to breathe and movement to feel natural. Large windows frame expansive **panoramic sea views**, dissolving the boundary between inside and outside and filling the home with shifting blues and soft daylight throughout the day.

## The Spirit of the Place

The architectural language is modern and clear, designed around flow rather than formality. Living areas transition seamlessly into one another, creating an atmosphere that supports both togetherness and retreat — ideal for families, friends, or small groups seeking a refined coastal escape.

**Villa Vista Mar is not about excess. It's about perspective.**

## The Setting – Santa Ponsa

Santa Ponsa offers a rare balance: lively without being loud, refined without feeling remote. Beaches, boutiques, cafés, and restaurants are close at hand, while the villa itself remains elevated — visually and atmospherically — above the everyday movement of the coast.

Days here unfold naturally: mornings with open windows and sea air, afternoons shaped by light and shade, evenings defined by the slow disappearance of the horizon.
